CHILD or FAMILY SPONSORSHIP

Information from Dr. Susan Wilson and in her own words...

"It is a wonderful thing – it changes children's lives forever....if food runs out, they can buy some more; when their shoes wear out, they can buy some more."

For each child a new Sponsor will receive the following information:-

- Photograph of the child
- Name
- Village
- Background

Sponsorship provides to each child:-

- Food, clothing, school supplies, health support and upgraded housing under the care and guidance of local Tumaini Parish Workers and area Social Workers.

Cost of Sponsorship:-

- For just \$2 per week, we can change a child's life from abject poverty to life with good health, an education and hope for future employment and self support.
- Sponsorship can be arranged with either:-
 - Annual payments of \$100 per child
 - Monthly automatic bank deductions of \$8 per month per child

Cloud Information:-

In Dr. Wilson's words: "Tumaini is changing to a Microsoft Dynamics Database – there is a some way to go, but I hope that it will be up-to-date both in Guemsey and Tanzania very shortly...."
